Foreword	XI
<i>Gianfranco Sinagra, Rossana Bussani, Antonio Cannatà</i>	
SECTION 1 - CLINICAL APPROACH	
1. Introduction	3
<i>Fulvio Camerini, Furio Silvestri</i>	
2. Definitions, epidemiology and predisposing factors	5
<i>Gianfranco Sinagra, Rossana Bussani, Lorenzo Zandonà, Antonio Cannatà</i>	
3. Etiology	13
<i>Roberto Luzzati, Rossana Bussani, Aneta Aleksova, Rita Belfiore, Alessandro Altinier</i>	
4. Pathogenesis	19
<i>Gianfranco Sinagra, Gerardina Lardieri, Enrico Fabris, Antonio Cannatà, Concetta Di Nora, Ana Custrin</i>	
5. Pathology	25
<i>Rossana Bussani, Lorenzo Zandonà, Ana Custrin, Elena Zambon, Cosimo Carriere, Antonio De Luca</i>	
6. Clinical features	31
<i>Gianfranco Sinagra, Laura Massa, Jessica Artico, Antonio Cannatà, Sara Scapol</i>	

7. Diagnosis	41
<i>Bruno Pinamonti, Jacopo Cristallini, Antonio De Luca, Gaetano Morea, Valerio De Paris</i>	
8. Prevention and risk stratification	51
<i>Gianfranco Sinagra, Alessio Della Mattia, Alberto Proclemer, Antonio Cannatà, Benedetta Ortis, Stefano Albani</i>	
9. Complications	55
<i>Gianfranco Sinagra, Renata Korcova, Gabriele Secoli, Andrea Perkan, Antonio Cannatà, Luigi Priolo</i>	
10. Treatment	69
<i>Gianfranco Sinagra, Roberto Luzzati, Aniello Pappalardo, Giuseppe Gatti, Donatella Giacomazzi</i>	
11. Non-infective endocarditis	77
<i>Francesco Lo Giudice, Marco Merlo, Davide Stolfo, Francesca Brun, Alessandro Altinier, Sara Doimo</i>	
12. The “Endocarditis Team”	85
<i>Gianfranco Sinagra, Gerardina Lardieri, Aniello Pappalardo, Bruno Pinamonti, Bernardo Benussi, Gabriele Secoli, Roberto Luzzati</i>	

SECTION 2 - ATLAS OF ENDOCARDITIS

13.		
Early infective endocarditis		91
14.		
Mural infective endocarditis		94
15.		
Mitral valve infective endocarditis		97
16.		
Aortic valve infective endocarditis		105
17.		
Pulmonary valve infective endocarditis		110
18.		
Tricuspid valve infective endocarditis		112
19.		
Prosthetic valve endocarditis		117
20.		
Massive and complicated infective endocarditis		122
21.		
Recurrent infective endocarditis		135
22.		
Peripheral embolization		138
23.		
Non-infective endocarditis		141
